

Appendix B: New Vessel Loan – Quote Details

Complete Appendix B only if you are applying for a loan for the construction of a new vessel **AND** are not providing a builder quote

1) Hull & Structures (frames, stiffeners, bulkheads)

Item	Component	Type	Material	Size	Qty.	Cost
Aft (Lazz) Tank	Tanks					
	Insulation					
	Refrigeration					
	Grating					
	Gelcoat					
AntiFouling Paint						
Bulkheads	WT					
	Non-WT					
	Insulation					
	WT Bhd Gland					
Curb Irons						
Filled Keel						
Fish Hold	Compartments					
	Pen Boards					
	Insulation					
	Refrigeration					
	Grating					
	Gelcoat					
Frames						
Hull Protect. IWO Hauler						
Hull Ribbons						
Live Wells	Compartments					
	Insulation					
	Refrigeration					
	Grating					
	Gelcoat					
Name and Registry						
Raised Stempost						
Rope Locker						

Rub Rail						
Steering Gear Cmpt.						
Stern Extension						
Stiffeners						
Vertical Floors						
Total for Hull and Structures						

2) Decks and Superstructures

Item	Component	Type	Size	Material	Qty.	Cost
A-Frame						
Anchor Shoot						
Boom						
Bow Rail						
Forward Deck						
Gunnels						
Hand Rail						
Hatches	Engine Room					
	Deck					
	Foredeck					
	Cuddy					
	Fish Hold					
	Wheelhouse					
Hawse Plates						
Insulation	Engine Room					
	Deck					
	Cuddy					
	Wheelhouse					
Interior Finish	Engine Room					
	Deck					
	Cuddy					
	Foredeck					
	Wheelhouse					
Ladders	Engine Room					
	Deck					

	Cuddy					
	Fish Hold					
	Foredeck					
Lobster Derrick/Block						
Main Deck						
Mast						
Radar Arch						
Radar Reflector						
Scuppers / Freeing Ports						
Slaughterhouse Doors						
Staples / Cleats						
Stern Extension / Tray						
Stern Pipe						
Tailgate						
Toe Rail						
Trap / Pot Rail						
Vent Cowls						
Washboard Rails						
Wheelhouse Exterior						
W/H Top						
Total for Decks & Superstructures						

3) Outfitting, Fire and Safety

Item	Component	Type	Size	Material	Qty.	Cost
Anchor						
Anchor Windlass						
Blowers / Fans						
Bunks	Cuddy					
	W/H					
Cabinet Hardware	Cuddy					
	W/H					
Chart/Plate/Cup Rack						
Chart Table						
Clearview						

Compass						
Cupboards	Cuddy					
	W/H					
Doors		Fixed				
		Sliding				
EPIRB						
ER Floor Plates						
Exhaust Trunk						
Fire Buckets						
Flares / Rockets						
Furnace						
Heater	Cuddy					
	W/H					
Helm						
Horn						
Hyd. Cabinet						
Liferaft						
Life Jackets						
Life Rings						
Life Ring Lights						
Mattress	Cuddy					
	W/H					
Microwave	Cuddy					
	W/H					
Mooring Lines						
Pilot Chair						
Propane Box						
Propane Sensor						
Propane Tanks						
Refrigerator	Cuddy					
	W/H					
Seats	Cuddy					
	W/H					
Ship Bell						
Shower	Cuddy					

	W/H					
Shutters						
Sink / Faucet	Cuddy					
	W/H					
Stove	Cuddy					
	W/H					
Survival Suits						
Toilet	Cuddy					
	W/H					
Table	Cuddy					
	W/H					
Vents						
Visor						
Windows		Fixed				
		Sliding				
Window Blower						
Window Heater						
Wet Locker						
Wipers						
Total for Outfit, Fire and Safety						\$

4) Electronics and Electrical Systems

Item	Component	Type	Size	Material	Qty.	Cost
Alternator						
Anodes						
Autopilot						
Auxilliary Panel						
Batteries						
Battery Charger						
Battery Isolation Switch						
Converter						
Electrical Panels	Wheelhouse	AC				
		DC				
	Engine Room	AC				

		DC				
	Cuddy	AC				
		DC				
Flood Lights						
GPS						
GPS WAAS						
Hull Ground Plate						
Inverter						
Lights / Receptacles / Switches	Fish Hold					
	Lazarette					
	Deck					
	Slaughterhouse					
	Wheelhouse					
	Cuddy					
	Engine Room					
Main Shutoff Switch						
Monitor						
Navigation Lights						
Navigation Light Panel						
Plotter						
Radar						
Radar Reflector						
Satellite Tel.						
Search Light						
Shore Power						
Sounder						
Sound System						
SSB						
Transducer						
VHF						
Weather Fax						
Total for Electronics and Electrical Systems						\$

5) Propulsion and Fuel Systems

Item	Component	Type	Size	Material	Qty.	Cost
Allen Bearing						
Bow/Stern Thruster						
Cutlass Bearing						
Deck Fills						
Emergency Tiller						
Exhaust System		wet () dry ()				
Exhaust Insulation						
Engine	Diesel					
	HP					
	RPM					
Engine Bed						
Engine Controls						
Engine Mounts						
Fuel Filters						
Fuel Tanks						
Fuel Lines						
Generator						
Jack Shaft						
Propeller						
Prop Cage						
Prop Shaft						
Reduction Gear	Model					
	Ratio					
Shaft Covers						
Steady Bearing						
Stuffing Box						
Stern Tube						
Surge Tank						
SW Strainer						
Skeg						
Shaft Spurs						
Vent Lines						

Waterlock						
WT Bulkhead Gland						
Total for Propulsion and Fuel Systems						\$

6) Mechanical and Hydraulic Systems

Item	Component	Type	Size	Material	Qty.	Cost	
Bait Cutter							
Bilge Pumps & Float Switch	Fish Hold						
	Lazarette						
	Engine Room						
	Forward						
Hanging Block							
CO ₂ System							
Deck Washdown							
Dump Table							
Engine Cooling Pipes							
Fairlead / Roller							
Hauler	Capacity						
	Cooling Pipes						
	Clutch			200 ft-lb			
				400 ft-lb			
				1000 ft-lb			
Tank							
Hauler Pump	Direct Drive	Gear () Vane ()					
	Belt Driven						
	Demand						
High Water Alarms							
Hydraulic Tank							
Hydraulic Filter							
Hyd. Temp. Gauge							
Hot Water Heater							
Net Drum							
Propane Tanks							

Propane Tank Box						
Pullmaster						
Raw Water Strainer						
Rudder						
Rudder Stock						
Rudder Packing Box						
Steering System						
Steering Cooling Pipes						
Stabilizers						
Vent / Fans	Engine Room					
	Wheelhouse					
	Cuddy					
Water Pump						
Winch						
Washdown Pump						
Total for Mechanical and Hydraulic Systems						\$

7) Miscellaneous

Item	Component	Type	Size	Material	Qty.	Cost
Total for Miscellaneous						\$
